Summary

Currently a full-time employee at Playmakers Athletic Footwear & Apparel. Worked in a variety of roles including:

- 11 years in teaching & coaching
- 7 years in management
- 5 years in web development

Solution-oriented problem solver. Excels at abstracting problems to get to the root issue which allows him to clearly see the big picture and take an efficient and effective course of action. His resiliency also allows him to take setbacks in stride and adjust his course as needed.

Worked collaboratively with large teams to develop a suite of software tools that drove e-commerce sales from less than \$0.5 million to over \$15 million in 3 years using tools such as:

JavaScript - Node.js - Express.js - React.js - jQuery - AWS - HTML5 - CSS3 - Bootstrap - Shopify Plus - Ruby - Liquid - Google Cloud - MongoDB - MySQL - GraphQL - Git - GitHub - and many more

****Looking for opportunities that will allow me to live in the Raleigh, NC area.****

Experience

Web Developer

Playmakers Athletic Footwear and Apparel

Apr 2018 - Present (4 years 10 months)

Drove Commerce growth from less than \$0.5 mil/year to over \$15 mil/year over 3 years

Eliminated major eCommerce order processing errors and inefficiencies via invoice auto-printing including detailed order & product information, leading to significantly increased productivity and client satisfaction

Maximized eCommerce product buildout speed through the utilization of multiple automation tools, allowing for quicker inventory turnover and ROI

Minimized customer wait times by developing a custom Queue Management app in order to consistently provide a exceptional customer experiences and increase customer retention

Implemented dozens of custom-built applications that have allowed both online and in-store operations to scale efficiently and effectively by eliminating wasted time and money.

Team Leader (Manager)

Playmakers Athletic Footwear and Apparel

Jun 2016 - Present (6 years 8 months)

Utilized leadership and connection skills to develop staff and prepare them for successful careers, both at Playmakers and beyond
